

## To change the way the world ages.

Our mission is to provide state-of-the-art, advanced in-home care from highly-trained medical care professionals.

### ♥ ALZHEIMER & DEMENTIA

The program is rooted in a person-centered approach focused on creating feelings of belonging and purpose while seeking to preserve one's identity.

### ♥ FALL PREVENTION

This program offers a client assessment of medications, compliance, as well as traditional home safety and therapy interventions for gait and balance.

### ♥ CRYSTAL WELLNESS

This program customizes wellness needs and is offered by an experienced Reiki Master to alleviate stress and increase positive thoughts and feelings.

### ♥ HOSPICE CARE

This program encourages and facilitates contact with friends and family to allow important conversation to be had, celebrated and even captured.

### ♥ CHEF'S SPECIAL

This program brings fresh ingredients and delicious homemade meals to your kitchen or doorstep.

It's our pleasure to serve you.

### CLIENT TESTIMONY:

“**Susan S.**  
Bethesda, MD

I cannot express in words how much this agency has done for my mother and me. The caregiver supplied to us couldn't be more patient, and understanding of my mother's mood swings as a result of her dementia. This is the best agency in the area.”
